

# Revisão React II

Labenu\_

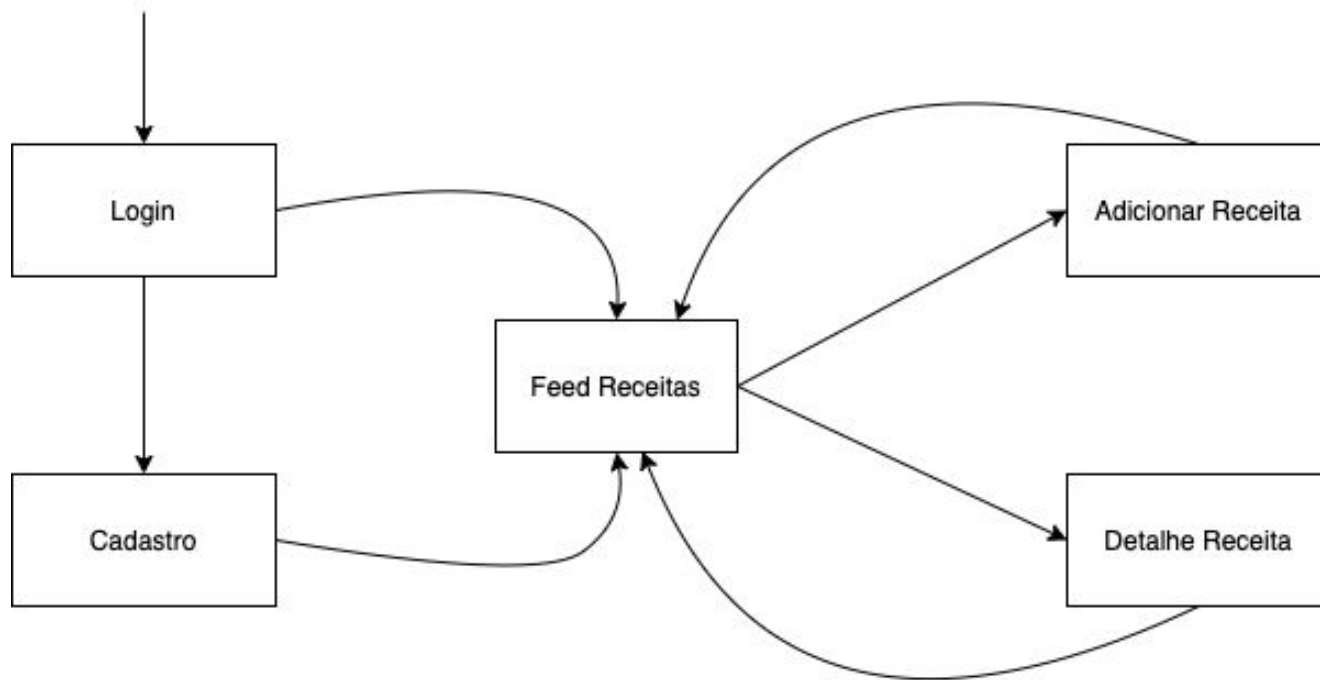

# Exercício 1

- Vamos criar um site de receitas com as seguintes telas:
  - Login
  - Cadastro
  - Lista de receitas
  - Detalhe da receita
  - Adicionar receita

# Fluxograma das Telas

# Tela - Login

A mockup of a web browser window displaying a login form. The browser's title bar is grey with three window control buttons on the left. The page has a red header bar with the text "Cookenu" on the left and "Login" on the right. The main content area is white and contains a centered login form. At the top of the form is a large rectangular box with a black 'X' inside, likely a placeholder for a logo or image. Below this are two text input fields: the first is labeled "email" and the second is labeled "senha". At the bottom of the form are two red buttons: the top one is labeled "Login" and the bottom one is labeled "Cadastro".

Cadastro

# Tela - Cadastro

The image shows a web browser window with a registration form. The browser's title bar is grey with three window control buttons. The page has a red header bar with the text 'Cookenu' on the left and 'Login' on the right. The main content area is white and contains a registration form. At the top of the form is a large rectangular box with a diagonal cross, likely a placeholder for a profile picture. Below this are three input fields: 'nome', 'email', and 'senha'. At the bottom of the form is a red button with the text 'Fazer Cadastro'.
